Hook up the pow-er, — Peo-ple- are the en-er-gy. —

M.C. teaches refrain to 2 or 3 individuals in audience. While he talks and during count-ins the cast sings the "doo's" below (bars 35-38) as many times as needed.

For the refrain itself, cast sings bars 31-34 again, while the band continues the same progression as for the "doo's."

M.C. gets audience and cast to sing refrain as a "round" (2 bars between entries). At end of round, cast does nothing until M.C. starts claps (p. 3).

Doo doo doo doo- etc.

All Claps continue until M.C. counts in "Hook up..."
